

MINUTES FAITH BASED COMMITTEE MEETING

August 11, 2010

Attendees:

Eric Guthrie

Alana Brewton

Shelley Friedman

Shelley reported that the dialogue continues with Mecklenburg Ministries and we await their response. She is also in contact with Patrick Graham of urban League to partner. In addition the work with Temple Beth El continues.

Shelley suggested that the committee meet with Bob Ward in late September to discuss how to go about approaching the drinking issue from public health as well as legal issue in our appeal to faith communities. She will set this up.

It was suggested that reaching the youth ministers of churches may be the best way to present our information / resources / education.

Alana Brewton will contact Cynthia Sloan and invite her to join the CMDFC.

Eric Guthrie will re-contact the Elizabeth Communities of Faith (4 churches) about the work of the CMDFC and see if they are open to meeting.

It was suggested that we contact faith communities and ask if we can put a "line" in their bulletin. We need to decide what info to give before we contact them.

Shelley will contact Park Road Baptist church about a "line" in their bulletin .

Eric will talk to Barbara Bullock about Myers Park Baptist and will remind Marsha Lampert of our next meeting.
