

Parent Centered Prevention Committee Meeting  
November 10, 2009

Committees Updates

- PCPC-English
  - Nancy Harville talked with a former Substance Abuse Counselor at the Military Leadership & Global Academy and she is willing to develop a collaboration with the school to plan a Town Hall Meeting. Nancy brought different ideas for the THM that the committee embraced.
  - Libby Guice shared that we can potentially hold a THM or event at Butler HS in April. She suggested having a panel to discuss the most common drugs used such as alcohol, prescriptions drugs, and marijuana. She suggested that planning could start after January 2010.
  
- PCPC-Spanish
  - Angelica Castaneda provided an update on the Town Hall Meeting that will take place at the Freedom area. The committee agreed holding the THM on January 7th. More information will be provided to all members.

Information on the notMYkid program and webinar

- Alice McGinley received information about a potential webinar on the notMYkid program. She will be sending more information and details about it.

Other agenda items...

- Ben Stevenson shared that Safe Homes partnered with Goodwill industries. They are providing 45 minutes presentations once a month to Goodwill industries.
