

Parent Centered Prevention Committee Meeting
September 14, 2010

Events Updates

- The Parent Centered Prevention Committee has partnered with Parent University to provide Events for parents and their children that focus on underage drinking and binge drinking prevention.
 - The committee reviewed the expenses from the event at the Global Military Academy to plan the budget for the three upcoming events.
 - Nancy Harville informed the committee that the National Guard has volunteered to print the flyers if needed.
 - Carolina Bonilla provided an update on the flyers.
 - SAPS and Anuvia agreed on facilitating co-occurring sessions with children and youth. SAPS will be with High School youth, possibly involving SPIDA. Anuvia will facilitate the Elementary and Middle School groups.
 - The committee agreed on a panel representing: law enforcement, prevention, treatment, and a facilitator/counselor from CMS.
 - We will invite members to have resource tables during the event.
 - The committee agreed on providing refreshments.

Turning Point Training

- Kia Thacker from Anuvia provided a training on the Turning Point System which could be incorporated in the committee's events to measure participants' perceptions and attitudes towards underage drinking and substance use.
